Pride Day
Sat 9th July 2022

Bristol Pride

After a difficult two years we are now very excited to be returning to The Downs once more. Now more than ever is it important for us to celebrate Pride. What's important is our people and our community. Join us in Bristol Pride's Community Area to share how you support our LGBT+ family, our people and our community.

Our Offer

Our Community Area plays host to community and voluntary groups from Bristol and beyond. Presence at the event provides your organisation with a unique opportunity to showcase your work, recruit volunteers and reach members of the Lesbian, Gay, Bisexual and Transgender (LGBT+) community along with our allies. We are the UK's largest FREE pride and in 2019 attracted 40,000 people to the event.

Each stall will be allocated 1x4ft table and 2 chairs. If you require backboards, please feel free to bring them with you, being mindful of space and visibility to neighbouring stalls.

Eligibility

In keeping with our community ethos, you must be a charity, a voluntary organisation, a public sector organisation, a community collective or any type of not-for-profit organisation focused on community interests. Businesses are not eligible for the community area.

Sustainability

We're working really hard on minimising our environmental impact. We ask that you keep any promotional materials you're using to a minimum and only use recyclable / natural materials.
